

SAVAGE – DANCING IN THE DARK

SAVAGE

SAVAGE “DANCING IN THE DARK”

1) “DANCING IN THE DARK” (RADIO VERSION) 3’33”
Scritto da: Robyx - Gaiotto E.

Registrato agli HOG Studios e mixato al Woodbox Studios in Italia, il nuovo brano di Savage è un’esplosione di dance ed electro-pop che rievoca le atmosfere senza tempo degli anni ’80. Sintetizzatori analogici e batterie elettroniche danno vita a un viaggio sonoro che unisce nostalgia e modernità.

Il testo racconta una storia d’amore insolita: un vampiro e una ragazza immaginaria si incontrano in un castello abbandonato, sotto la luce di una luna piena. Una danza romantica che, improvvisamente, si trasforma in un tripudio di luci e colori, trasportando l’ascoltatore dall’atmosfera gotica di un sogno notturno alla vitalità di una discoteca contemporanea.

“Dancing in the Dark” esce sia in versione originale curata e arrangiata da Robyx sia in diverse versioni remix realizzati da importanti remixer internazionali.

Con questo brano, **Savage**, pioniere e icona dell’**Italo-Disco**, segna il suo grande ritorno sulle scene e apre la strada al nuovo album di prossima uscita.

Written by: Robyx - Gaiotto E.

Recorded at HOG Studios and mixed at Woodbox Studios in Italy, Savage’s new track is an explosion of dance and electro-pop that evokes the timeless atmosphere of the 1980s. Analog synthesizers and electronic drums bring to life a sonic journey that combines nostalgia and modernity.

The lyrics tell an unusual love story: a vampire and an imaginary girl meet in an abandoned castle under the light of a full moon. A romantic dance that suddenly turns into a riot of lights and colors, transporting the listener from the gothic atmosphere of a nighttime dream to the vitality of a contemporary club. “Dancing in the Dark” is released both in the original version curated and arranged by Robyx and in several remixes by leading international remixers.
